ALL CURES MADE EASY!!
BY
HOLLOWAY'S OINTMENT.

No description of wound, sore, or ulcer can more fully explain the progress of this peculiar Untouch. The use of our remedy causes a fresh appearance wherever the irritation is applied. Soothe the springs of humors at the seat of the morbid action of the secretory system, and, as a consequence, a permanent cure will be effected. *of the Untouch.*

Rheumatism, Gout, and Neuralgia.

Nothing has the power of relieving inflammation and reducing pain in the same degree as aspirin. Aspirin is the only drug that has been shown to have an anti-inflammatory effect. Aspirin is also a powerful analgesic, and it is the only drug that has been shown to have an anti-inflammatory effect. Aspirin is also a powerful analgesic, and it is the only drug that has been shown to have an anti-inflammatory effect. Aspirin is also a powerful analgesic, and it is the only drug that has been shown to have an anti-inflammatory effect.

ment of the Throat.

On the appearance of any of these troubles the throat should be well rubbed at least three times a day. The neck and upper part of the chest, as well as the face, especially about the throat, must be kept warm by means of a warm garment, such as a collar, or a scarf. The throat can be relieved by this treatment by following the printed directions.

How the Ointment and Pills should be used in this Edematous case:
